(c) The requisite information is being collected from the Registry of the Supreme Court of India and will be laid on the Table of the House after it has been received.

(d) A Statement of the steps taken for speedy disposal of pending cases in the Supreme Court is enclosed.

Statement

Steps taken from time to time to deduce rendency in Supreme Court.

1. The Judge strength of the Supreme Court has been raised from 18 to 26 (including the Chief Justice) with effect, from 9th May, 1986 by amending the Supreme Court (Number of Judges) Act, 1956.

2. The following steps are being taken in the Supreme Court for speady disposal of pending cases:

(a) Matters involving common question of law are grouped together and listed in groups so that they can all be disposed of together.

(b) In most of the matters printing of the appeal record is dispensed with which saves a lot of time and expense of the litigants. In criminal appeals counsel for the appellant is required to file cyclostyled record to save time which would otherwise be taken in getting the record printed so that the matter could be heard early.

(c) To save the Court's time Hon. the Chief Justice is taking mentioning, which takes about one hour on each day, after the Court hours.

(d) Supreme Court Rules have been amended empowering Hon. Judge in Chambers and the Registrar to dispose of certain types of matters which were previously being listed in the Court. This has been done to save the Court's time.

(e) Specialised benches are constituted by Hon. the Chief Justice and particular types of matters are assigned to such specialised benches for quick disposal.

(f) Computer technology is soon going to be introduced in the Supre-
